

Our parish is a fellowship, a body, bound together by our faith. St. John the Evangelist Parish is our immediate family, made up of each of us individually; the church grounds are our spiritual family's home.

Covid-19 has created an economic shortfall for our parish due to falling attendance and subsequent reduced collections. This won't last forever, but for now it is the reality of the moment.

The falling revenues have created a budget gap. There are ongoing maintenance requirements that need attention, in addition to the fact that the church is now over twenty years old, and as such many things are getting old and are in disrepair. There are multiple items that need immediate attention, i.e. the failing air conditioning system for one, that are very expensive.

The St. Johns Finance Committee will be sending out a letter outlining the current economic situation and will issue a call for donations. Please read the letter and be generous in your responses to help us, our family and our home, in this time of extraordinary need.
